**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

i am consumer and i want to support broadband competition. broadband is important to because i work from home. i do a lot of research. i hated comcast and at and t. and sonic is the best. and competetive environment made it possible. sonic strives to make service outstanding because they care. other providers dont.
